

Vocabulary Acquisition: Teach, Practise, Apply (KS2)

Course information

- The direct teaching of vocabulary in context
- Children owning words: a step-by-step approach involving language play
- Teaching children to infer word-meaning from context
- The role of vocabulary in higher achievement

About the facilitators

Lindsay Pickton has supported schools as a Learning and Teaching Advisor since 2001. He has successfully supported numerous schools, specialising in all aspects of Primary Literacy.

Lindsay provides inspiring and practical training and consultancy in diverse aspects of English, from grammar and spelling to drama and the enjoyment of reading.

Christine Chen is an experienced English, More Able and Curriculum Development specialist based in Kingston upon Thames. She has supported numerous primary schools, alliances and federations successfully across London, Surrey and Wiltshire. Complementing her effective schools support, Christine writes for Oxford University Press, Pearson, Harper Collins, Discovery Education and Teach Primary
